Our MA/Theological Studies is a uniquely flexible program that combines a core curriculum of biblical, theological, historical, and global study, combined with a substantial number of elective hours that allow you to uniquely shape your coursework. This degree relates the broad field of theological studies to the work of the church, so you have plenty of opportunities to focus your study on particular subject areas that interest you.

You can earn your MA/TS degree in 42 credit hours, or simply take classes to enhance your knowledge of the Bible and its application to life.
ENTRUSTED WITH THE GOSPEL
TO SERVE THE GLOBAL CHURCH

From its earliest days as an institution, Trinity Evangelical Divinity School (TEDS) has embraced the responsibility and the privilege of being entrusted with the gospel. That phrase, as it appears in Paul’s first letter to the Thessalonians, shapes our identity as an institution.

We are a broadly evangelical seminary community united around the gospel of the life, death, and resurrection of Jesus Christ. We offer educational programs that prepare men and women to engage in God’s redemptive work in the world in many global and vocational contexts, such as counseling, academic teaching and writing, pastoral leadership, and missional service.
